

All the Colors

First Day Lyrics

By John Van Geem

Sensing the tension, I stare at the ground.
Nobody moves, no one makes a sound.
“My names, Jonny Crown, I’m new to this school.
Is this Art One-O-One?”
‘Your in the wrong room’

First day of school,
Getting it wrong.
Dressed like a fool,
Can’t get a round.
Five minutes Late,
Not a good start.
I want to be Invisible.

Hind me behind a wall
No one looks.
No one cares
No one stares.

Just then, I saw her, a bomb shell in green.
Brown hair with deep eyes, she looks right at me.
‘Um hey, are you lost?’: I almost passed out.
‘If your going to Art class, you can follow me down.’

First day of school,
Getting it right.
Check out this girl,
Foxy Mc’Knight
Heading to class,
Couldn’t Believe it’s just my luck the class was full...

Full of hotties like her.
Pitch me now.
Is this Heaven?
